Substitute bill won't be released until after Wednesday. Perhaps Cirino, watering down DEI section to say can't compel anyone to believe anything.

House Bill 151- appears to be exactly the same as SB 83.

1. Approve draft agenda- Approved
2. Guest: Dr. Leanne Petry, Faculty Training Director for DEI Initiatives, Central State University
LPetry@centralstate.edu

Undertaken an initiative at the request of faculty related to DEI initiatives.
Institutionally, in many cases we were not ready to dive into what it means for a campus to work through DEI initiatives. So that was a primary goal.
Developed council to establish short/long term goals for DEI efforts/initiatives for our campus community.
DEI doesn't necessarily mean the same thing to faculty as it does to staff, admin, and students.
Led to training opportunities and cultural climate audit and engage in racial equity training to campus and faculty. How our words/language matter specifically on implicit bias, and LGBTQIA initiatives.
Face to face, virtual, faculty are mandated to engage in two faculty advancement trainings per year.
Report findings of cultural climate audit.
Working with DEI council to establish a dedicate office/director for DEI on campus
Used external partner Multiethnic Advocates for Cultural Competency (MACC) out of Columbus for the audit/training.
Many faculty are concerned with SB 83 and its impact on our current efforts.

Toledo-How might we have administrators come together inter/intra institution in order to establish this a mindset/standard practice across the board.
